Introduction

An award winning company that helps businesses do more to become more efficient and create new opportunities digitally and professionally.

We provide meeting, event and conference registration ticketing and booking software alongside responsive website designs.

Capabilities

Working with conference and meeting event organisers, Flame helps you achieve the professional presence reflecting your own brand image.

For events of any size, from theatres to festivals, sports events to clubs, we have arguably the most powerful and best supported solution in the market.

Some of our clients/events have included:

- Innovus
- The Lakesman Triathlon
- Taste Cumbria
- FIA World Rallycross
- British Touring Car Championship
- Raby Castle
- Lowther Castle
- Westmoreland Group
- Manchester Classic Car Show
- CN Events
- International Chief Executives Ambulance Association Conference

Options can include free to commission free bundles including a professionally designed mobile friendly website and email marketing.

We have helped clients save thousands and grow sales by up to 30% - ignite your potential today with Flame concepts.
