I offer paediatric first aid training to those working in early years environments who require a paediatric first aid certificate as outlined in the EYFS.

I also offer 2 hour first aid awareness classes to parents, grandparents carers of little ones.

These awareness classes are designed to give parents and carers the knowledge and confidence to deal with a first aid situation involving their baby or child.

I also deliver Flat Stan First Aid Workshops across Cumbria to children ages 4-11 as a basic introduction to first aid.
