

NIASS Limited
Thornton Science Park, Chester, CH2 4NU
Main Contact: John Carine, Director
Telephone: 01244 568902
Email: john@niass.co.uk
Website: www.niass.co.uk

Introduction

- NIASS are experienced business development and sales professionals from within the UK Nuclear sector
- NIASS acts as an extension to our partners business development and sales departments
- NIASS helps organisations win business in the UK nuclear sector

Capabilities

- Market intelligence gathering on current opportunities
- Sales and business development support
- PQQ and bid support
- Supply chain assessment
- Partnering and teaming strategies

Services

- Our partners are like minded, non-competing organisations that work together for mutual benefit.
- We promote collaboration at all times within our partner network.
- We represent T1, T2 and T3, T4 SME organisations
- NIASS works with nuclear site licence holders to help find alternative and diverse organisations to help deliver specific packages of work.
- We also work with and support the NIA, which John Carine is the vice chairman of the decommissioning group

We're here looking for:

- Like minded organisations
- Interaction with site licence holders and Tier 1 organisations looking to expand supply chain capacity and capabilities
- Potential collaboration in the sector
