Introduction

Red Onion Video, based in Kendal, was established by Tony Wilkinson, a film maker with over 20 years experience in the video industry.

Since 2003, Red Onion Video has worked with over 50 clients within the corporate, arts and educational sectors. Red Onion Video provides its video production services entirely in-house and also offers stand-alone editing or filming.

Capabilities

Red Onion Video is commissioned by clients to create videos for specific purposes and with specific target audiences. Commissions can vary from creatively describing the practice of organisations to documenting events, creating promotional films or web-based media.
